Department of the Treasury

---

The [Department of the Treasury](#) (DT) provides technical support for the Government's economic and financial policy choices, and drafts macroeconomic strategies and programming documents. It is also responsible for analyzing national and international economic, monetary, and financial issues, and is in charge of managing public debt. Additionally, the DT is responsible for the State's shareholdings, financial interventions in the economy, the regulation and oversight of the credit and financial system, and the management of State property.
